

# MERRY CHRISTMAS!

DECEMBER 2014

Dear Friends,  
Thank you for your partnership with us as we work together to enrich our communities! At TPC we look back at 2014 and remember with gratitude the many people we have had the honor to work with. Our team has grown, both with new staff and new adventures...

*Dan and Jared with AIM School Staff - Cambodia*

Andre and Stefanie joined our team and brought with them great skill and added to our cultural depth. Dan surprised many, and went to Cambodia! (We worked with Agape International to design a school for impoverished children there). We embarked on greater varieties of project types and enjoyed the new opportunities. Our love of the Church and helping congregations with their facilities continues strong. We were blessed to help many Church families this year. Grateful for what we have, we look forward to what will come next year!

We thank God for all of you, and wish you great joy this holiday season.

MERRY CHRISTMAS FROM ALL OF US AT TPC ARCHITECTS!
